

URŞAN

COMPANY PROFILE

URSAN
YOUR RELIABLE PARTNER
IN RETAIL!

ABOUT US:

URSAN TEXTILE, founded in 1982, is one of the leading knitwear manufacturers in Turkey.

At Ursan Textile, we deal with high volumes of manufacturing and exporting our garments to Europe.

With 36 years of experience in manufacturing, we aim to find efficient solutions to our business partners.

We manufacture circular knitted garments with style and comfort according to our clients' expectations.

Our objective is to give perfect service to our clients starting from the design process to manufacturing and exporting.

We believe in excellence and aim to fulfil different needs of our clients

WHAT WE DO:

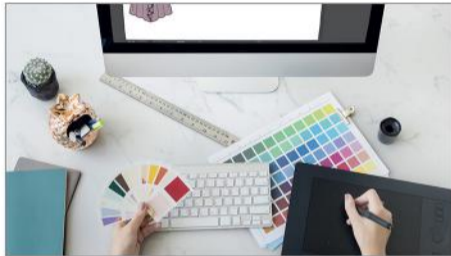

We provide high **quality** goods and services at very **competitive prices** and **on time** delivery deadlines to any destination around the **globe**.

Our main business is made up of women, men and children knitted garment.

We deal with the below stages from A to Z:

- Designing
- Fabric control & Cutting
- Sewing
- Ironing
- Quality control & Packaging
- Exporting

Designing:

Fabric Control & Cutting:

Sewing:

Ironing:

Quality Control & Packaging: (with metal dedector)

Exporting:

PRODUCTION:

Our production capacity is 950.000- 1.500.000 pieces per month.

We are working with oeko-tex and Hohenstein certificated fabric suppliers.

Our lead times are; depending on fabric delivery and styling; 3-4 weeks for repeated styles and 5-6 weeks for new styles.

We aim to produce with utmost quality at very competitive prices.

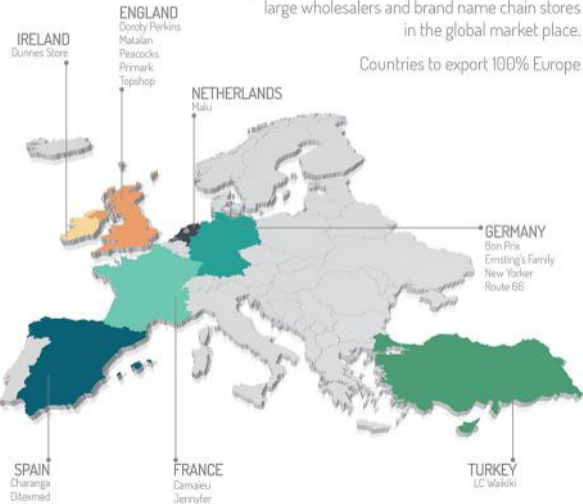

In addition to our competitive price advantage, we offer many other competitive edges in relation to export quotas, R&D, sourcing and meeting tight deadlines.

OUR CLIENTS:

Ursan Textile's organization is ready to create new and prospective business opportunities for importers, large wholesalers and brand name chain stores in the global market place.

PRODUCT TYPES:

We produce a wide range of products which are; leggings, shorts, skirts, dresses, shirts, blouses in knitted fabrics made of cotton, viscose, polyester, polyviscose, cotton flame, viscose flame and different fabric blends.

SAMPLING:

Our sampling division is located in our head office in Istanbul and its production capacity is 5 pieces per day.

We aim to deliver our samples in short lead times.

DESIGN:

Our head design office is based in London, UK and our design team creates designs that meet the demands of our clients.

Our team closely follows the latest fashion trends via trend reports, trend forecasts and international trade shows. In addition to these resources, our advantage is to be able to follow the street fashion in London; one of the most important fashion hubs in the world.

POLICIES:

At Ursan Textile, we aim to protect the environment.

Our Environmental Policy leads us to create sustainable designs.

Our Social Compliance Policy leads us to produce under the certification of the Internationally Authorised audit corporations.

We have certifications from SEDEX AND BSCI.

Our system is based on prevention and consistency by using 100% statistical process control.

AWARDS:

Every year we constantly get 'Top 100 Textile Exporter Manufacturer with highest turnover and quantity' award from IHKIB; İstanbul Apparel Exporters' Association.
